ABOUT US

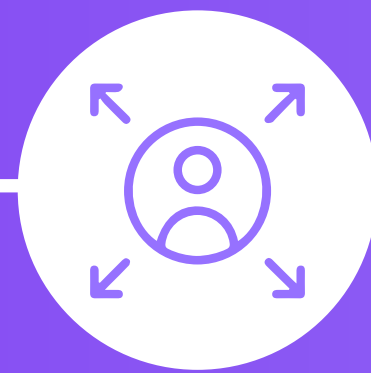

A team with an accumulated track record that spans over three decades, **GAIN** is a global firm that provides business advisory, strategy and implementation services to our clients in the public and private sector.

From startups to multinationals, we generate commercial growth, national and international market expansion, and sustainable network development.

We operate between **North America, Southern Europe, and Latin America** to connect our clients to top tier opportunities.

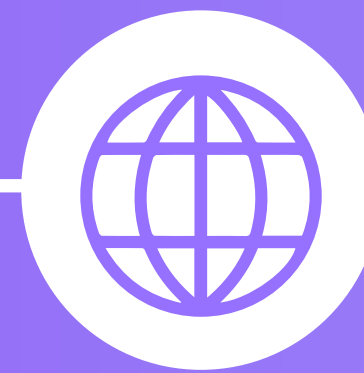

GAIN'S MODEL

Our business mode is based on three pillars that are essential to solve the complex challenges that SMEs, corporations, institutions and governments face.

CLIENT CENTRIC

We become an extension of our client's team by understanding their needs, providing tailored services, maximizing their potential and creating authentic relationships.

GLOBAL IMPACT

We adeptly operate in different markets and sectors around the world, ensuring our clients successfully navigate diverse business cultures in today's global economy.

TOP-TIER CONNECTIONS

We have crafted a high-level network of key decision-makers and trusted advisors, in both the private and public sectors, with an ecosystem that spans over 30 countries.

OUR SERVICES

1

InsightLinks

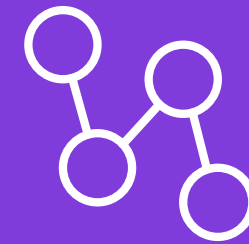

Connecting top tier senior experts with startups, mid-size and established corporations in order to provide them with the business intelligence and tools necessary to both achieve their objectives and address their challenges.

2

LeadLinks

Client centered commercial leads, partnerships and stakeholder opportunities that are based on the needs and objectives of the client together with the market research outcome.

3

GlobalLinks

Tailored in-person business trips to a specific region or country in order to promote an organization's expansion and further their business networks through high value added face-to-face meetings with their future partners, clients, and/or investors.

INSIGHTLINKS

InsightLinks is a membership service that gives subscribers access to personalized and on-demand virtual sessions with leading experts from around the globe. Our roster of experts provide strategic business insight and dynamic perspectives to corporations, organizations, governments or institutions, helping them achieve their current and future goals, as well as address challenges.

1

3

GLOBALLINKS

GlobalLinks is an effective way to interact in-person with potential customers, partners and stakeholders. The service consists of tailored week-long trips for executives and their teams to meet face-to-face with a wide-range of global actors, carrying the clear objectives of expanding their business reach, presenting investment opportunities, strengthening networks and growing brand and message recognition in the target market.

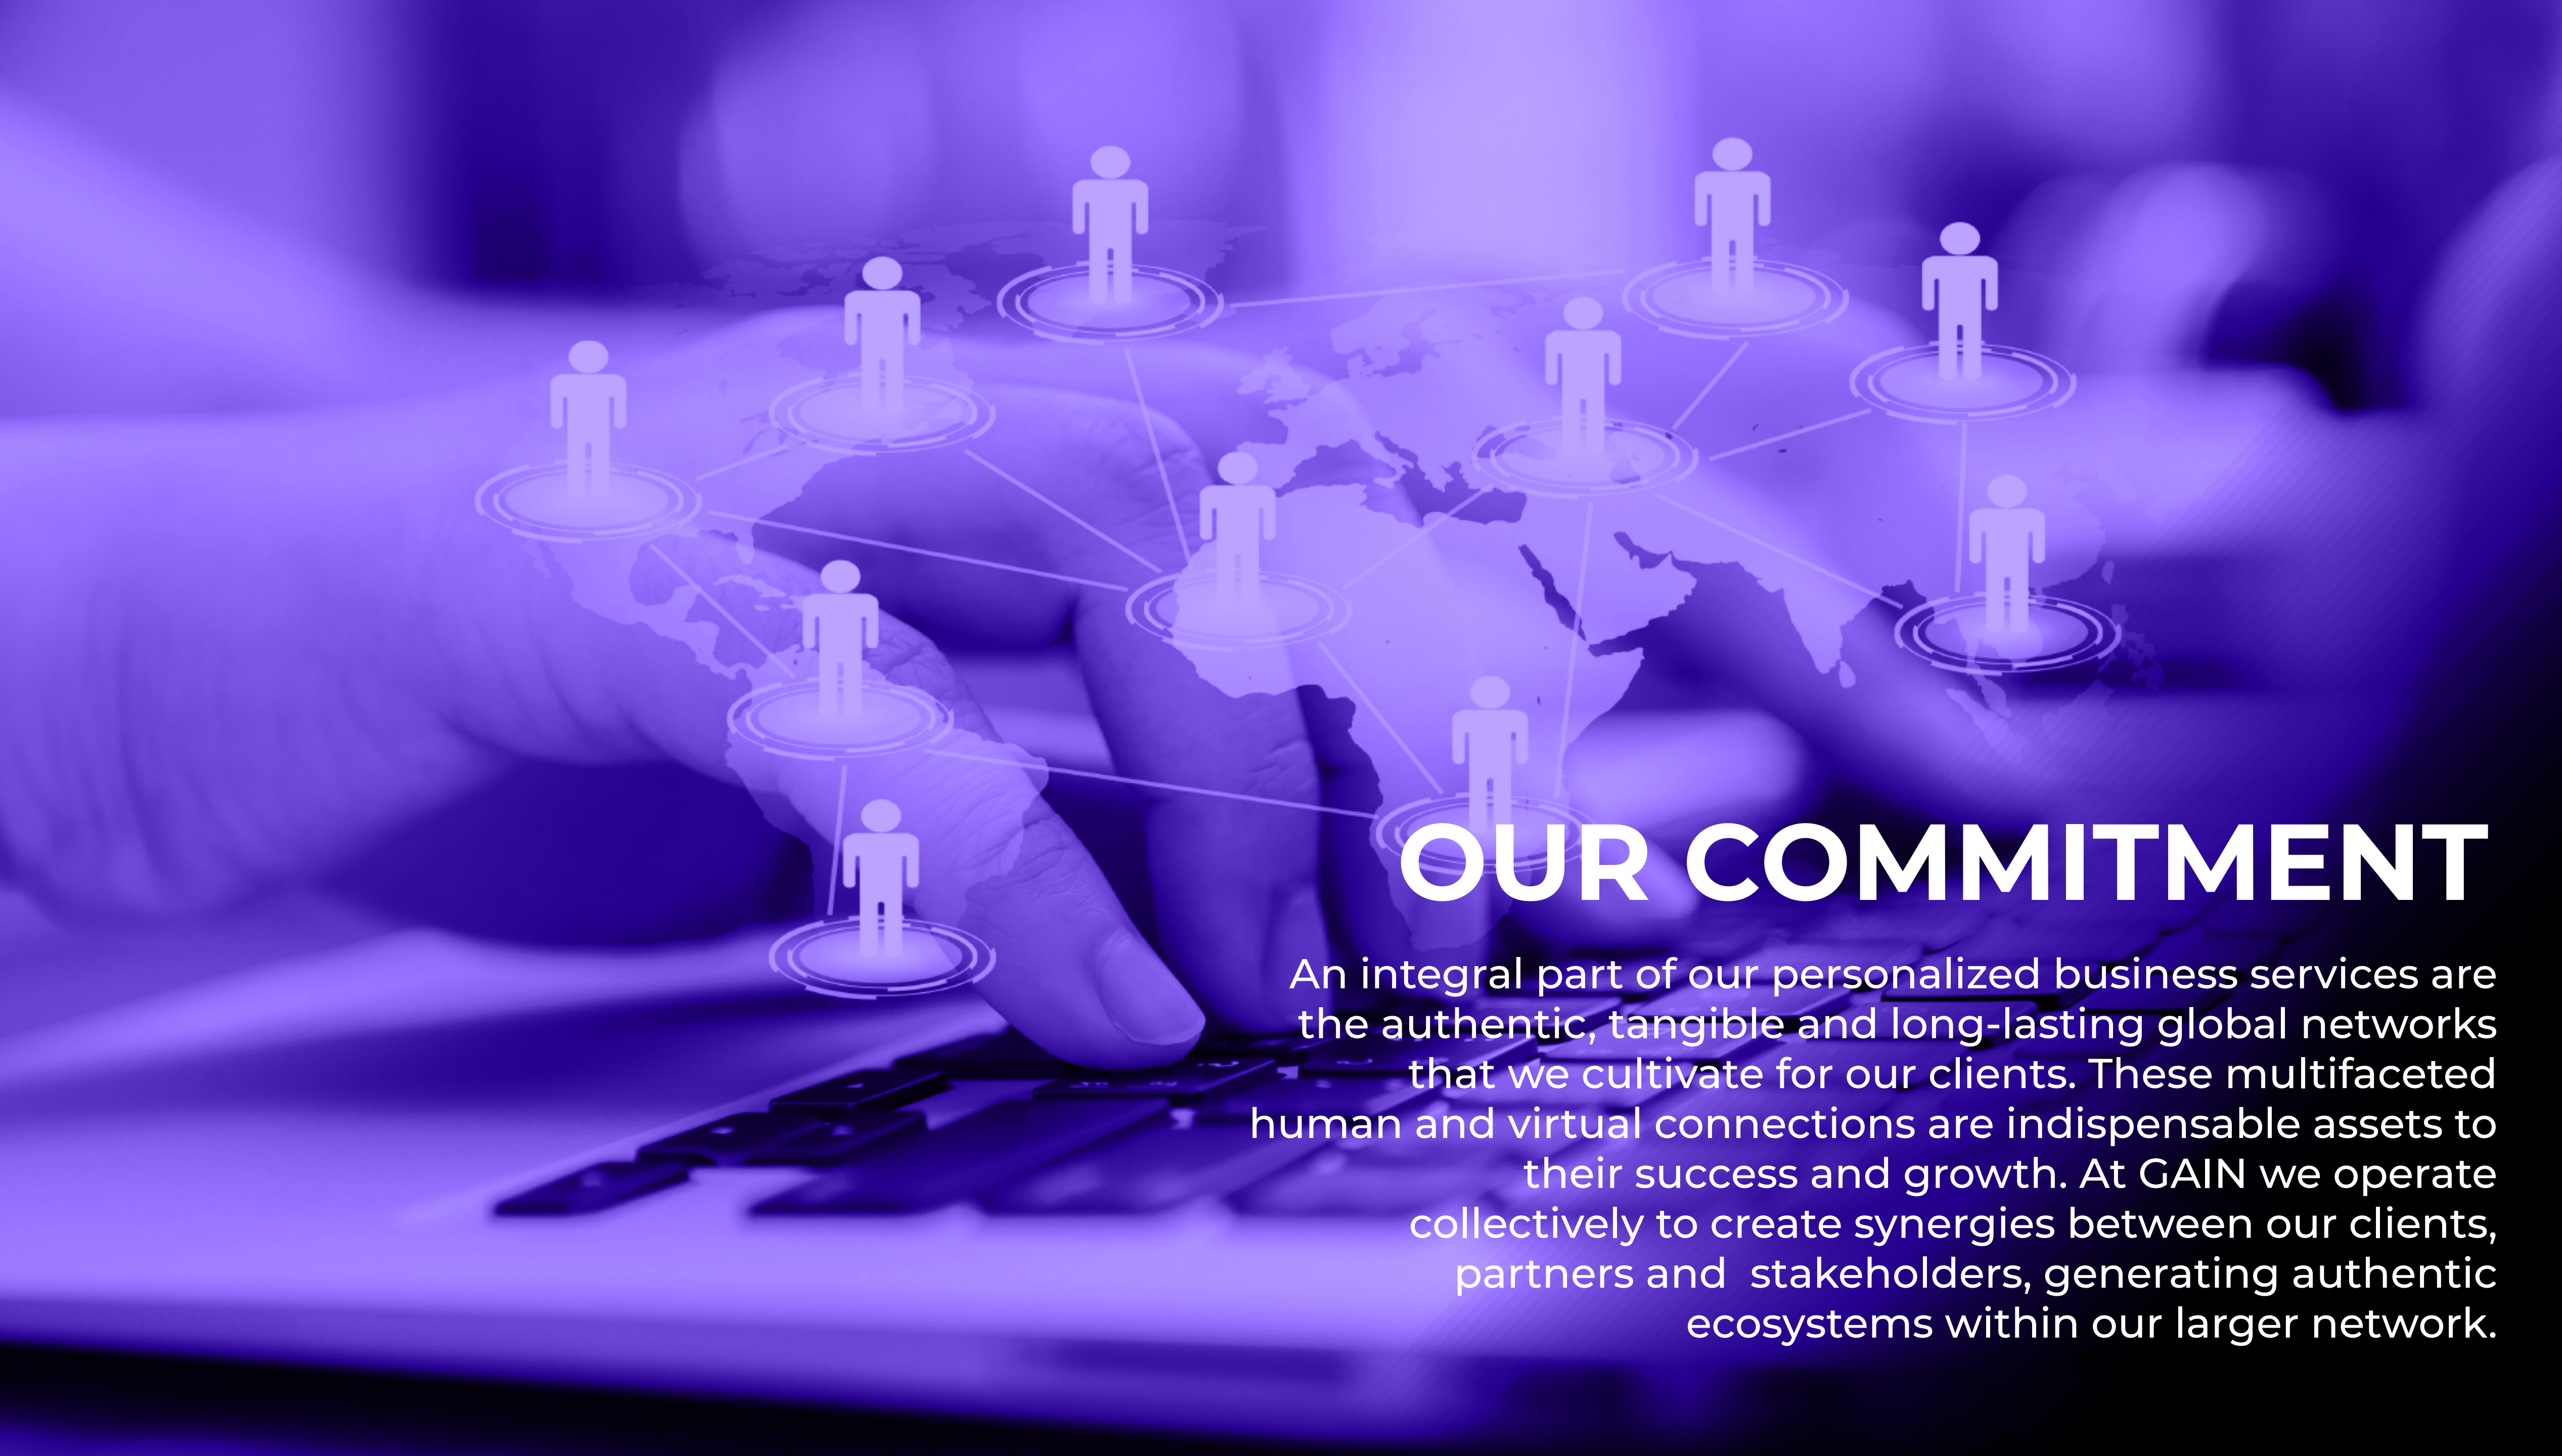

GLOBALLINKS' ADVANTAGE

On-ground
concierge services

Face-to-face
engagement

Direct connection
to target markets

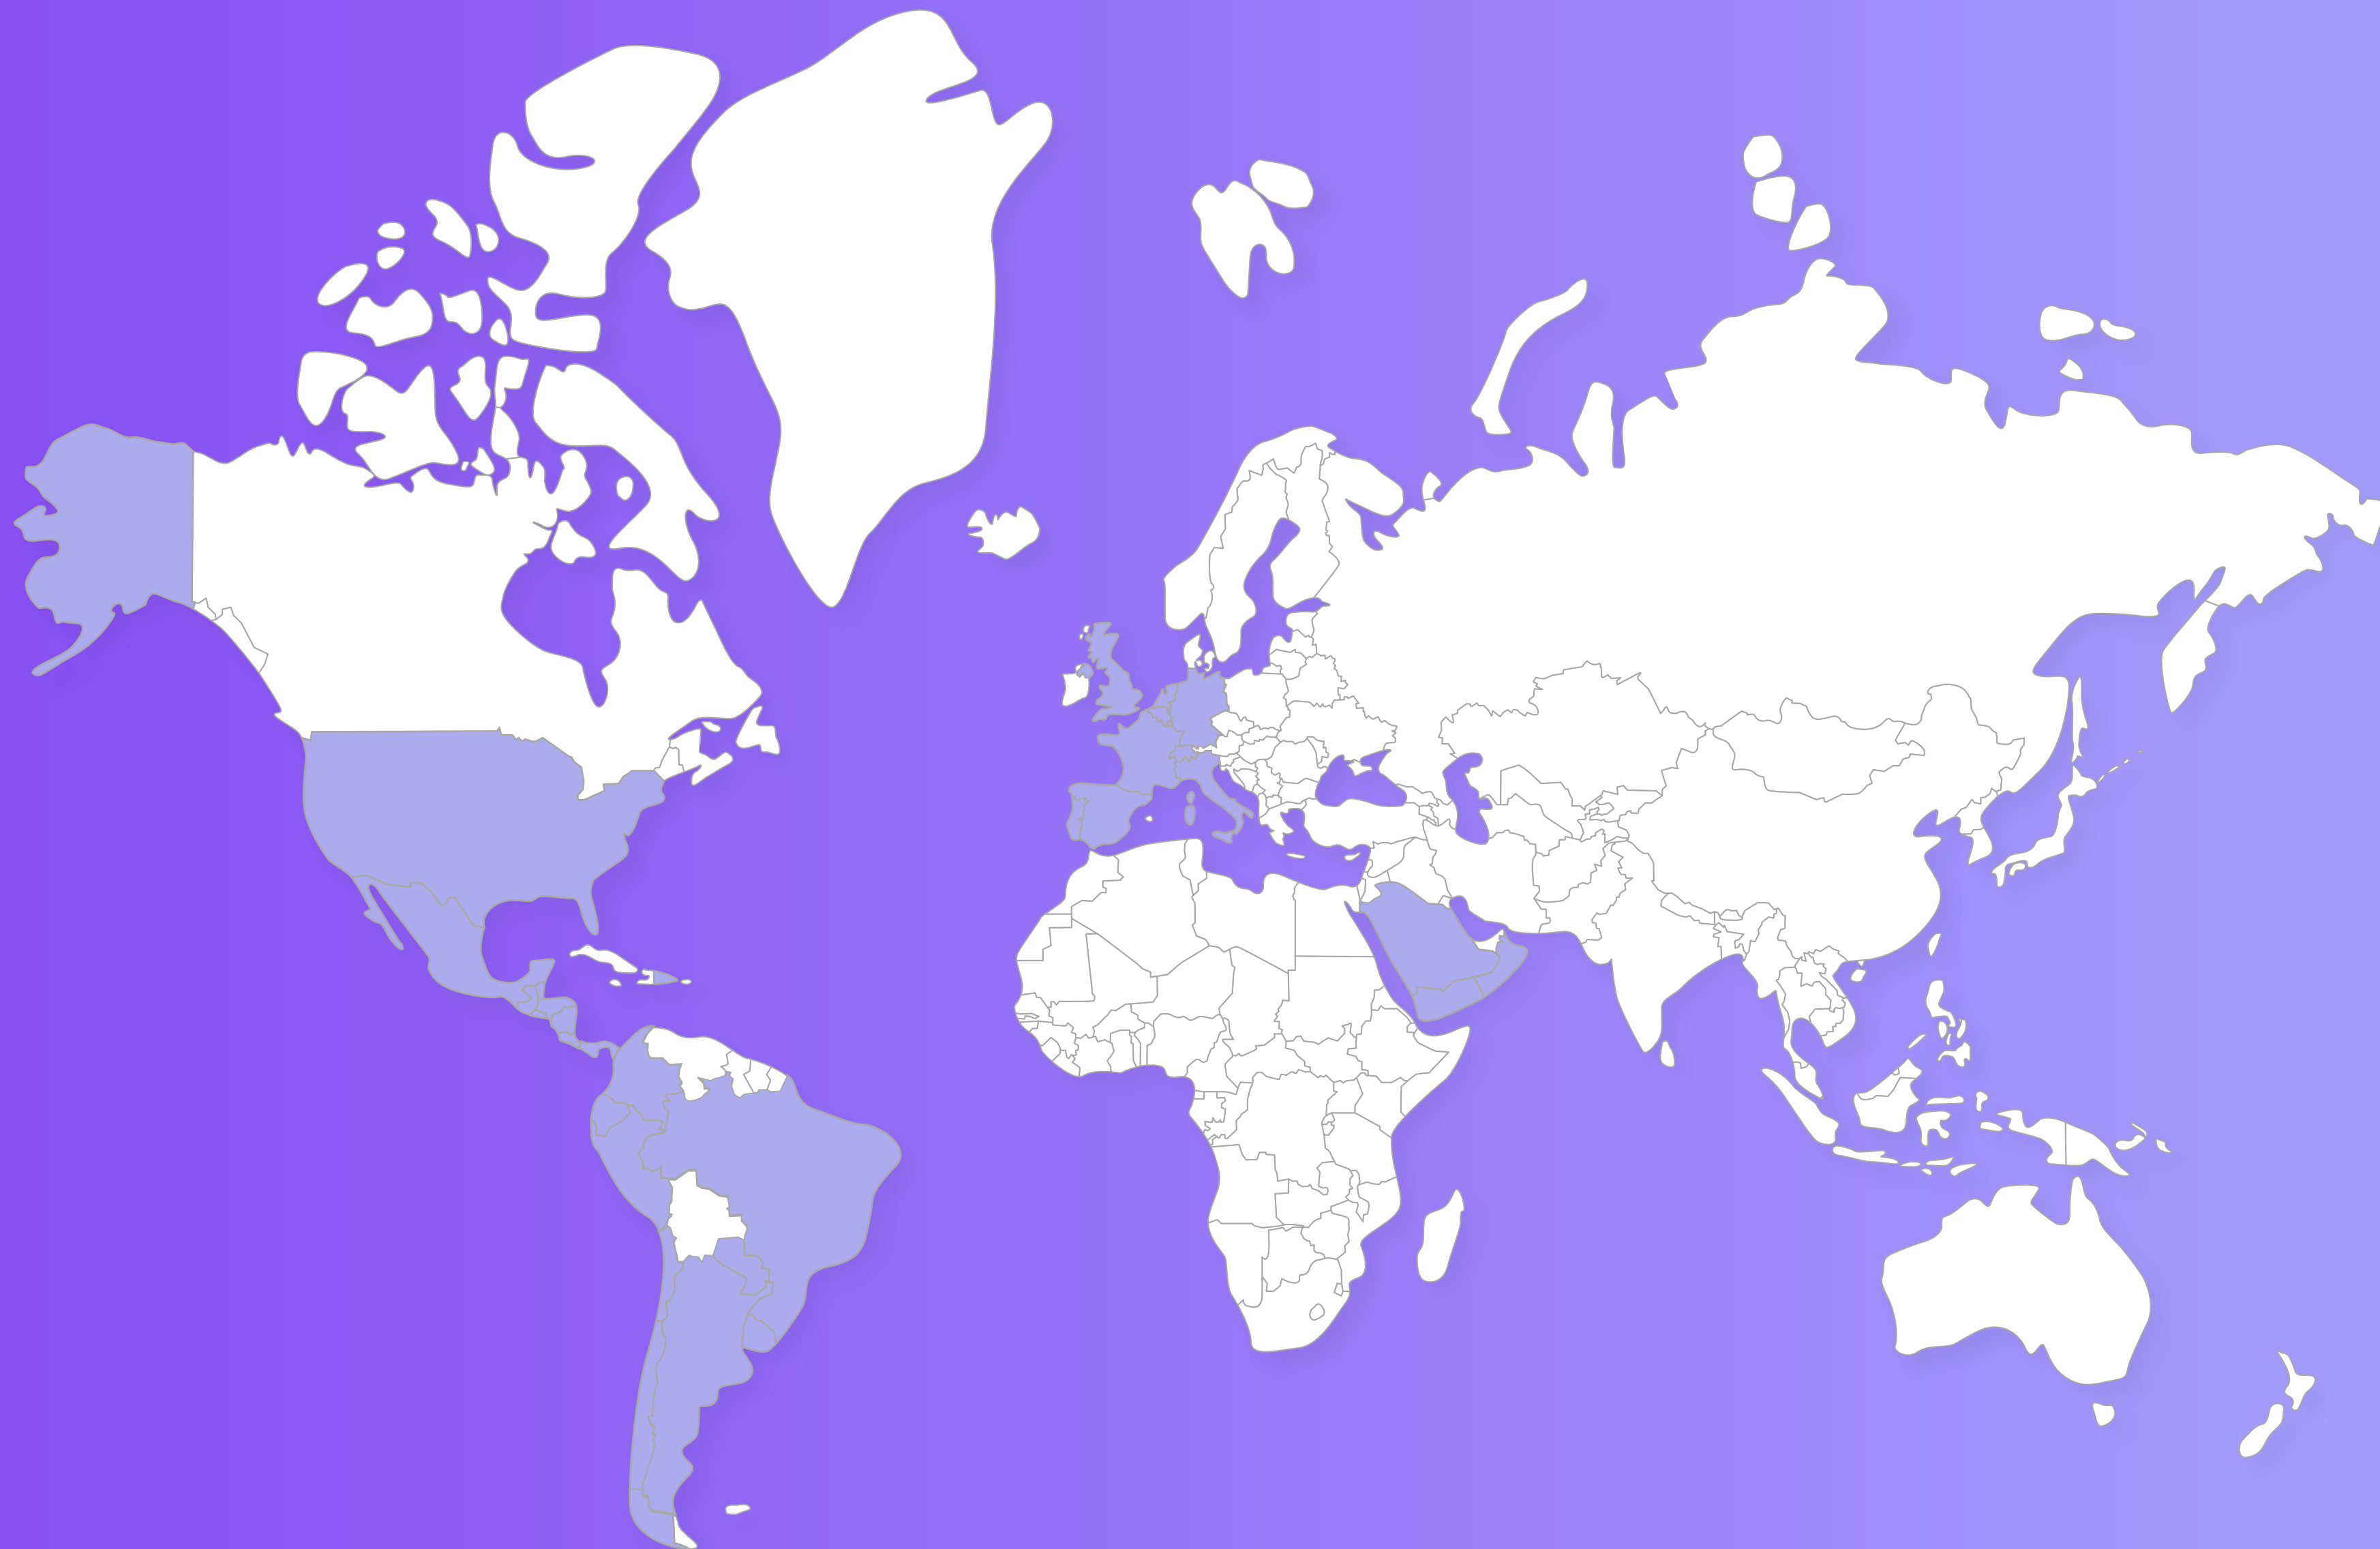

Accelerated
decision-making

The background image is a composite. It features a hand holding a globe, with a network of white human icons connected by lines, overlaid on a laptop keyboard. The entire image has a purple tint.

OUR COMMITMENT

An integral part of our personalized business services are the authentic, tangible and long-lasting global networks that we cultivate for our clients. These multifaceted human and virtual connections are indispensable assets to their success and growth. At GAIN we operate collectively to create synergies between our clients, partners and stakeholders, generating authentic ecosystems within our larger network.
